MEDICAL INSURANCE

Even with the greatest precaution and closest supervision, accidents can and do happen at school. Parents need to be aware of this and be prepared for possible medical expenses.

Neither Canyon-Owyhee School Service Agency nor the school district provides medical insurance to automatically pay for the medical expenses when students are injured at school. This is the responsibility of parents or legal guardians. This district only carries legal liability insurance.

The school district does make student medical insurance available to their families for individual purchase. Brochures outlining the coverage and premiums are handed out at the beginning of the school year and are available at your district office.
