

A new quarter has begun and we are ‘cruising’ to a fresh start.

This is just a reminder for our COSSA families: our attendance policy allows for seven unexcused absences before a student must be dropped for the quarter (COSSA Student Handbook 2024).

Excused absences only include a doctor's note, a court order, or funerals. It's important to note that parent/guardian calls, while critically important, are not considered excused by the state of Idaho.

We want to support your student's academic success. If you need assistance, please do not hesitate to reach out to Mr. Rothamer (Academy principal) or Ms. Pafille (attendance coordinator).
